Bringing in Winds of Change

Corona Group is all about creating landmarks through excellence and professionalism. And that's exactly how it has built its success, brick by brick, achieving excellence in the past, as well as the present. Under the dynamic leadership of its founder, **Shri Jagminder Gupta**, **Corona Group** has diversified its interest in hospitality, exports, education and real estate. The team of talented professionals is what makes Corona Group so successful. Stringent quality norms, constant focus on details, combined with seasoned knowledge & technology is what makes Corona Group the numero uno choice of customers.

Corona Group has reached countless milestones along the way. Today the name evinces a feeling of trust and confidence amongst the growing number of its satisfied customers. From stand-alone residential flats to commercial IT Parks, the organization's projects dot the landscape of choicest Indian addresses. From here on, the conglomerate is all set to augment new developments including Malls, Technology Parks, Group Housing, Hotels, and Educational Institutes etc.

Prestigious Completed Projects Associated with:

HOTEL PROJECT

ITC Fortune, Select Excalibur Hotel Sohna Road, Gurgaon

The classy hotel, with all the 5-Star amenities and facilities, is an ideally located hospitality landmark in Gurgaon. Ideal for business visitors as well as tourists, the architectural marvel welcomes with unique warmth leaving a delightful impression upon its guests.

COMMERCIAL PROJECT

CITY MART, Sector-49, Sohna Road, Gurgaon

Strategically located on 6-lane Expressway, this posh commercial mall is built over an area of 2.42 acres and offers 3.5 lac sq. ft. of built up space. Housing 4-Star ITC hotel, and 3-level basement parking along with ample open space, the mall is an ideal business junction for shops, retails and big brands.

COMMERCIAL PROJECT

Time Centre, Business Park, Golf Course Road, Gurgaon

The IT hub of India, Gurgaon, gets a world-class Commercial cum IT Park. Housing many prestigious commercial establishments, Time Centre meets aspirations of the best of the multinationals and IT companies. The sprawling, energy efficient and feature-rich commercial & office space is an ideal address that makes the difference.

RESIDENTIAL PROJECT

EXCLUSIVE VILLAS, Sector-54, Gurgaon

A great experience awaits for those who have a special knack for low-rise villa lifestyle. The confluence of modern amenities and the advantages of prime location make it an exclusive project, and caters to the impeccable taste for grand lifestyle.

RESIDENTIAL PROJECT

ESSEL TOWERS, M.G. Road, Gurgaon

Meet the residential marvel at a prime location in Gurgaon. In close vicinity to schools, hospitals, malls and markets, the project encompasses all the modern amenities to enhance the urban living experience.

CONSTRUCTION IN FULL-SWING

CORONA GRACIEUX, Sector-76, Gurgaon

Designed by an architecture firm of well repute, the Corona Gracieux offers a selection of premium apartments. The magnificent residential project with a Panoramic view of the Aravali Hills, consists of 5 high-rise, each having 15 floors. The door to comfort, luxury and peace of mind...awaits you here!

CONSTRUCTION IN FULL-SWING

NINEX CORONA, Sector-37C, Gurgaon

Get ready for a treat of lifestyle at a prime location close to popular Hero Honda Chowk. Spread across an area of nearly 17 acres, the Group Housing project is a superb blend of luxury and comfort. The architecture, material strength and an ideal open to build-up area make it stand out when compared with other projects in the similar price bracket.

CONSTRUCTION TO COMMENCE SHORTLY

TIME ARCADE, Sector-37C, Gurgaon

Time Arcade, a first rate commercial cum office project, is located near rapidly growing residential colonies besides the well populated localities of Sector 9 & 10. Being developed in collaboration with Dhoot Group and encompassing the most modern features, the project offers an optimum mix of retail, office and leisure spaces. Enjoying wide approach road of 84 mtrs. on two sides, the first of a kind commercial project also has 40-room budget hotel and provides a very large developed space for modern offices. The prominent centre of attraction of the project is its uniquely superlative design.
